A deluxe&active stay in Alto Adige

LOCATION: Brunico, Italia
YEAR: 2020
ARCHITECT: Matteo Thun
LIGHTING DESIGNER: studio L plan
COMMISSIONED BY: Falkensteiner group

The Falkensteiner 5 star hotel is located at the foot of the Plan de Corones in Alto Adige. An exclusive location for lovers of sports activities and lifestyle vacations.

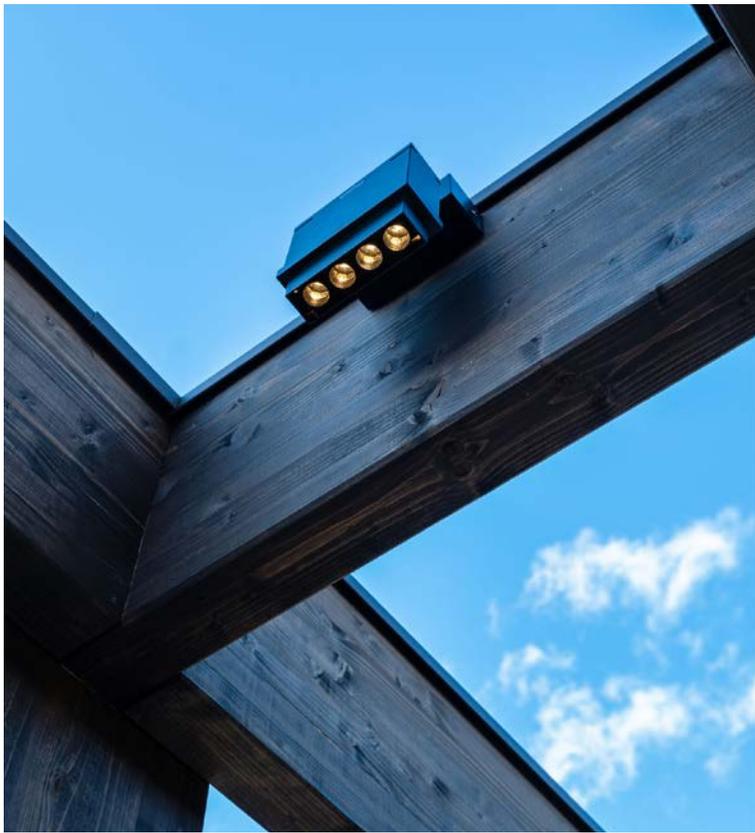

The modern structure designed by Matteo Thun perfectly blends with the surrounding mountain landscape. The balance between nature and

innovation is highlighted by the choice of materials. Wood, typical of the region, harmoniously coexists with the steel from the Platek lighting fixtures.

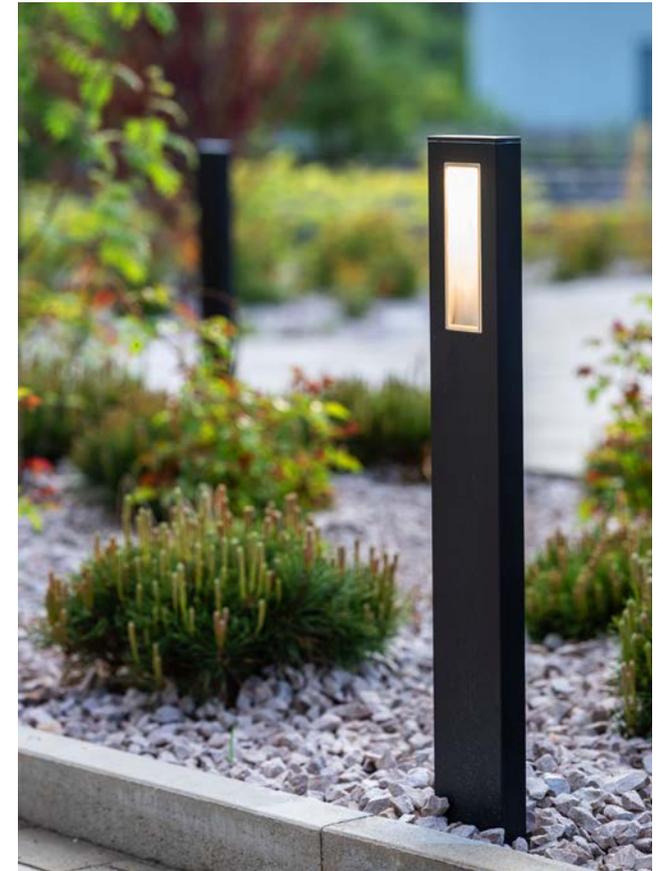

The design characteristics are further enhanced through a specific lighting study, suitable for below zero temperatures and a high degree of humidity.

The fixtures create a warm and welcoming atmosphere. Perfect for those guests that wish to experience the relaxing comfort of the open air Spa.
